

Revising GCSE Maths

Duncan Moulder – Head of Maths

What do we do in school to help students prepare for their GCSEs?

- Starter booklets (First 10 minutes of each lesson)
- Exam style question focus to most lessons
- Past paper focus approaching exams
- PM registration throughout KS4

How best to revise independently at home

- Complete weekly Sparx HW to 100%
- Do the extras (XP Boost, Target)
- Sparx independent learning
- Practice/Past GCSE papers with video

‘There is no point in completing a practice paper on your own at home **UNLESS** you get immediate feedback. Video walkthroughs are the best way to solve this issue

Two methods for doing this...

- 1stclassmaths.com - Excellent website containing practice papers with video solutions.
- AQA.org.uk - Access all past papers (except the most recent 2) and use these in conjunction with...
- [Mr Tompkins edtech youtube channel](#) – Video 'walkthroughs' of all AQA exam papers.

If you find these resources useful then please consider supporting by buying me a coffee.

June 2024 GCSE Practice Papers
