

Dear Parent/Carer

Uganda meetings are now taking place on Wednesdays and at last week's meeting we introduced an exciting new fundraising idea to help students to raise the money we will need for the building/maintenance work we will do when we are in Uganda in July. Please could you read the information below and fill out the online form at your earliest opportunity?

Lap of Legends for Lander4Uganda – Join the Ultimate 24-Hour Relay Challenge!

Could you raise a team for this epic, upcoming, Lander4Uganda, fundraising event detailed below? At this point we are asking for a show of interest, to see how much support there is, from our Lander4Uganda families, for the **Lap of Legends** event.

It will take place from noon on **Friday 23rd May to noon on Saturday 24th May.**

Teams of 10 people or more — made up of families, friends, businesses, and colleagues — will take turns walking or running relentlessly around the school track. Whether you're in it to push your endurance or simply enjoy a fun challenge with your team, this event is designed for everyone!

There will be a festival atmosphere, with live music, food and activities. All participants will be invited to camp on the school field.

We need at least one adult to take responsibility for each team, and all the children in it, for the entire 24h duration of the event.

Teams will need to set up their own fundraising page, although all promotional materials and sponsorship forms will be provided by the Lander4Uganda team.

Can you Help? Please fill in this online form at your earliest opportunity:
